I, Terence F. Young, declare:

1. I am an attorney licensed to practice in the State of California and before this Court. I am associated with Lovitt & Hannan, Inc., attorneys for Defendants K-M Industries Holding Co. Inc., K-M Industries Holding Co. Inc. ESOP Plan Committee, and CIG ESOP Plan Committee in this matter. I have custody of the relevant files of Lovitt & Hannan related to this action and am familiar

1 with the contents thereof. I make this declaration pursuant to L.R. 79-5(d) to establish that certain
2 documents designated by defendants to be confidential and submitted by plaintiffs in support of
3 their motion for class certification should be sealed and not made part of the Court's public files.

4 2. K-M Industries Holding Co. Inc. (the "Company") is a privately-held corporation
5 comprising two operating subsidiaries, Kelly-Moore Paint Company and Capital Insurance Group.
6 The Company maintains its financial and accounting records, internal organization, and other
7 materials related to the operation and operating results of the Company in strictest confidence and
8 treats such matters as trade secrets. The Company's shares are not traded publicly and the estimated
9 values of those shares is likewise a closely-guarded trade secret of K-M Holdings. Both of the
10 Company's subsidiaries are engaged in highly-competitive industries. Revealing such confidential
11 information in the public records of this Court could potentially harm the privacy interests of K-M
12 Industries and put it at a competitive disadvantage.

13
14 3. Plaintiffs' Exhibit 2: The Confidential portion of Plaintiffs' Exhibit 2 (Bates Stamp
15 MK001590) is the second page of the ESOP STOCK PURCHASE AGREEMENT dated October
16 13, 1998, that served to establish the first of the ESOPs that are the subject of this action. The
17 portion of the page that is confidential is the per share value of the shares being transferred and the
18 total purchase price for said shares that is set forth in paragraph 2(a). The internally-estimated value
19 of the Company's shares is a confidential trade secret. Attached is a copy of said page two with the
20 per share price and total purchase price redacted.

21
22 4. Plaintiffs' Exhibit 3: The Confidential portion of Plaintiffs' Exhibit 3 is pages 249 and
23 250 of the Deposition of Joseph Cristiano dated April 8, 2008. Mr. Cristiano was formerly President
24 of Kelly Moore Paint Company. The questions asked and answers given relate to the subject of
25 financial effects of litigation against the Company by plaintiffs claiming personal injuries from
26 exposure to asbestos. Repeating the exact nature of those statements in this declaration would defeat

1 the purpose of maintaining their confidentiality. Kelly Moore has carefully maintained the
2 confidentiality of its internal discussions of the financial effects of such litigation and continues to
3 believe that the public revelation of such considerations would damage its public image and its
4 business.

5 5. Plaintiffs' Exhibit 4: Defendants withdraw their confidentiality designation of this
6 exhibit.

7 6. Plaintiffs' Exhibit 5: Plaintiffs' Exhibit 5 is the minutes of a combined meeting of the
8 Board of Directors and Shareholders of Kelly-Moore Paint Company. The confidential portions of
9 the exhibit are:

10 a. The second paragraph on page 2 comprising confidential information concerning
11 the sales and other income of the Company.

12 b. The third paragraph on page 2 comprising discussions of profit and loss of the
13 divisions of the Company.

14 c. The first full paragraph on page 3 comprising discussions of possible acquisitions
15 of competing companies by the Company.

16 d. The second and third full paragraphs on page 3 comprising discussions of profit
17 and loss of two other divisions of the Company.

18 e. The last paragraph on page 4 comprising discussions of compensation of directors.

19 Attached is a copy of said Exhibit with only the confidential information redacted.

20 7. Plaintiffs' Exhibit 7: Plaintiffs' Exhibit 7 is a chart of K-M Industries' corporate structure
21 including value of share holdings and stock transactions. It is maintained as confidential by the
22 Company.

23 8. Plaintiffs' Exhibit 8: The Confidential portion of Plaintiffs' Exhibit 8 is page 28 of the
24 Deposition of Peter Cazzolla dated March 19, 2008. Mr. Cazzolla is the President and Chief

1 Executive Officer of Capital Insurance Group. The questions asked and answers given relate to the
2 subject of financial effects of litigation against the Company by plaintiffs claiming personal injuries
3 from exposure to asbestos. Repeating the exact nature of those statements in this declaration would
4 defeat the purpose of maintaining their confidentiality. Kelly Moore has carefully maintained the
5 confidentiality of its internal discussions of the financial effects of such litigation and continues to
6 believe that the public revelation of such considerations would damage its public image and its
7 business.

8
9 9. Plaintiffs' Exhibit 9: The Confidential portion of Plaintiffs' Exhibit 9 (Bates Stamp CIG
10 001871) is the second page of the ESOP STOCK PURCHASE AGREEMENT dated October 18,
11 1999, that served to establish one of the ESOPs that are the subject of this action. The portion of
12 the page that is confidential is the per share value of the shares being transferred and the total
13 purchase price for said shares that is set forth in paragraph 2(a). The internally-estimated value of
14 the Company's shares is a confidential trade secret. Attached is a copy of said page two with the per
15 share price and total purchase price redacted.

16
17 10. Plaintiffs' Exhibit 12: Defendants withdraw their confidentiality designation of this
18 exhibit.

19 11. Plaintiffs' Exhibit 15: The Confidential portions of Plaintiffs' Exhibit 15 are:

20 (a) two charts describing the ESOP transactions that are the subject of this action and
21 showing the values of the transferred shares and the percentages of the company that served as
22 consideration for the stock transactions.

23 (b) A list of elements of the purchase and sale of the company's Broken O Ranch

24 (c) Three pages of charts showing estimates of the Company's past and future asbestos
25 liability.

26 ///

1 The information in all of these pages is maintained as strictly confidential by the Company.

2 I declare under penalty of perjury under the laws of the United States of America that the
3 foregoing is true and correct.
